Press Release

Essen, 1 February 2021

Dr Niko Bosnjak appointed new Head of Communications & Energy Policy at OGE

Dr Niko Bosnjak (37) will take over as Head of Communications & Energy Policy at OGE on 1 February 2021. Dr Jörg Bergmann, CEO of OGE, stated: "Because of the energy transition, the entire industry is facing major communication and energy policy challenges. As OGE, we want to continue to actively shape this process of change. I am therefore delighted that with Dr Niko Bosnjak we have been able to gain a proven expert who is thoroughly familiar with the gas infrastructure business, the political framework conditions and communication."

Dr Niko Bosnjak started his career in 2012 as a research assistant for a member of the German Bundestag. In 2017, he joined the Regulation and Energy Policy department at ONTRAS Gastransport GmbH in Leipzig. In 2018, he took over as head of the department.

About OGE

OGE is one of Europe's leading gas transmission system operators. With our pipeline network spanning approximately 12,000 kilometres, we transport gas throughout Germany. Our geographic location makes us the central link for gas flows across the European single market. 1,450 OGE employees ensure security of supply. We make our network available to all market participants in a transparent and non-discriminatory way in line with market needs. We enable energy supply. Today and in the energy mix of the future.
